March 24, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Park Community Health Center Project in Fiscal Year 2027. The entity to receive funding for this project is the Broward Community and Family Health Centers, located at 5010 Hollywood Blvd Hollywood, FL 33021. The funding would be used for the construction of a new 30,000 square-foot community health center in the City of West Park, replacing the organization's existing 1,500-square-foot facility that is no longer sufficient to meet the growing healthcare needs of the community.

The project is an appropriate use of taxpayer funds because the expansion from 1,500 square feet to 30,000 square feet will allow the organization to meet current healthcare demands while preparing for future population growth and community needs. This project will create lasting benefits for the community by improving access to essential healthcare services and supporting the overall health and well-being of local residents.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Frederica S. Wilson
Member of Congress
