Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Miami Water Plant Modernization and Capacity Enhancement project in Fiscal Year 2026. The entity to receive funding for this project is the City of North Miami, located at 776 NE 125 Street, North Miami, FL 33161. Funding the North Miami Water Plant Modernization and Capacity Enhancement would support the significant modernization efforts needed to maintain service reliability and ensure environmental stewardship. The project is an appropriate use of taxpayer funds because, without proactive investment, North Miami risks water service interruptions and heightened vulnerability to the climate.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frederica S. Wilson  
Member of Congress
