The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the North Beach Living Shoreline Neighborhood Resilience Project in fiscal year 2024. The entity to receive funding for this project is the City of Miami Beach, located at 1700 Convention Center Drive, Miami Beach, FL 33139. The funding would be used to construct living shorelines and rehabilitate seawalls to minimize the loss of life and property caused by improper development in the area vulnerable to sea level rise.

The project has a federal nexus because the funding provided is for purposes authorized in the Coastal Zone Management Act of 1972 (16 U.S.C. § 1451 et seq.).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frederica S. Wilson".
